Common Questions

When does coverage begin?

If forms are submitted after your effective date, you are still covered, but may not yet be reflected as covered when you seek services.

Once all forms are processed, coverage will retroactively go into effect. Retroactive premiums will also be deducted from the effective date.

Who can I cover?

ELIGIBLE DEPENDENTS

Spouse/State Registered Domestic Partner

- Lawful spouses
- Registered domestic partners from other states/countries
- Registered domestic partners in Washington
 - One partner must be at least age 62

Children

- Biological, step, adopted, and children under legal obligation
- Up to age 26, regardless of student or IRS dependent status
- Disabled children, incapable of self-support, may be able to be carried beyond age 26

When will I get my ID cards?

Medical ID cards are sent out about 2-3 weeks after enrollment forms have been submitted.

- Employee ID cards are sent first
- Dependent ID cards are sent in a separate mailing

Please note: You will not receive a dental ID card from Uniform Dental

How do I enroll or waive coverage?

Benefit Acknowledgement Form (BAF)

- Includes due dates for submitting enrollment forms

Enrollment forms are in the back section of your Employee Enrollment Guide.

Option to waive coverage (pg. 17)

- Employees must submit their enrollment form to HRS to waive coverage
- Employee must have other employer-based medical coverage
- Medical coverage can be waived, while dental coverage cannot

You must provide Dependent Verification to enroll dependents

Please Note: Employees who do not submit their enrollment form within 31 calendar days of hire, will be defaulted to Uniform Medical Plan Classic and Uniform Dental Plan, employee only coverage.

What If I Am Already Enrolled in PEBB Medical/Dental Coverage?

PEBB does not allow dual enrollment within the Washington State PEBB network.

If you are already enrolled in PEBB coverage as a dependent under your spouse's, state-registered domestic partner's, or parent's plan, you may either choose to:

- **Waive** PEBB medical coverage, and stay enrolled under your spouse's, partner's, or parent's medical plan. You must then be removed from your spouse, partner's or parent's dental coverage.
- **Enroll** in PEBB medical coverage under your own account, and have your spouse, partner or parent remove you from their medical coverage. You must also then be removed from your spouse, partner's or parent's dental coverage.

When Can I Make Changes to Coverage?

During the Annual Open Enrollment

- Occurs each November
- Changes Effective January 1 of the following year

During Special Open Enrollments

- Defined as a Special Open Enrollment Event (see pgs 14-16)
- Must request change within 60 calendar days of the event
- Delay in submission will result in delay in coverage or the ability to make the change

How Does the Affordable Care Act (ACA) Affect Me?

- Effective January 1, 2014, most individuals are required to have health insurance coverage.
- Health insurance offered to benefit-eligible WSU Faculty, Staff and non-student hourly employees has been determined to meet and/or exceed the coverage standards identified by the ACA .
- If you are currently enrolled in a Marketplace Plan you may no longer be eligible for that plan. Contact the Administrator as soon as possible.
