Emotional Intelligence

• What is it?
• Why does it matter to me?
• What can I do with it?

Emotional Intelligence is a concept that relates to how we understand and manage ourselves and how we relate to others.

Defined

The ability to perceive and express emotion,
Assimilate emotion in thought,
Understand and reason with emotion, and
Regulate emotion in self and others...

- Identify and classify emotions
- Note difference between having and acting on emotions
- Learn to distract
- Take the time to note your impact on others
- Set goals – internally or written
  Slow Down, Think, Act

The Bottom Line (Ospina and Yaroni)

Moving from Mandated to Genuine Cooperation

- The new line manager must be more people oriented
- Coaching and teamwork are the predominant functions

As we look ahead…leaders will be those who empower others.
