

Human Resource Services Offers Lactation Room

If you are a nursing mother on the Pullman campus needing a private place to use your breast pump, space is available in French Administration Building, Room 143W. This lactation room provides a private, secure, clean space for faculty, staff and students. Pumping equipment is not provided and the room does not have a sink or refrigerator. However, the ground floor restrooms are across the hall.

The lactation room is available for use during normal business hours, Monday – Friday, 8:00 a.m. – 5:00 p.m. To access the lactation room, check in at Human Resource Services, French Administration Building, room 139. You will need to provide identification in order to use the room. The room is available on a first-come, first-served basis.
