

2017 Premium Surcharge Change Form

Use this form to report a change that affects your surcharge for tobacco use and/or spouse or state-registered domestic partner (as defined by Washington Administrative Code 182-12-260 (2)) coverage.

Changes that result in a premium surcharge will begin the first day of the month following the status change. If that day is the first of the month, the change to the surcharge begins on that day. Changes that result in removing a premium surcharge will begin the first day of the month following receipt of the attestation. If that day is the first of the month, the change to the surcharge begins on that day.

Type or print clearly in black ink.

Section 1: Tobacco use premium surcharge

A monthly \$25 surcharge per account is required in addition to your premium if you or a family member on your PEBB medical coverage uses a tobacco product.

See details on the *2017 Premium Surcharge Help Sheet* at www.hca.wa.gov/public-employee-benefits.

Events that require a change: You must change your tobacco use surcharge attestation when you or any of your enrolled family members' (ages 13 and older) tobacco use status changes. For example, if you quit or start smoking, this is considered a status change.

The surcharge will not apply if you and all enrolled family members ages 18 and older who use tobacco products are enrolled in your PEBB medical plan's tobacco cessation program, or if enrolled family members ages 13–17 who use tobacco products have accessed information and resources at teen.smokefree.gov.

Enrolled family members ages 12 and younger are automatically defaulted to NO (non-tobacco users); this means you do not have to attest for family members ages 12 and younger on this form or online. You do not need to reattest when the family member turns age 13 unless the family member uses, or begins using, tobacco products.

Tobacco use is defined as any use of tobacco products within the past two months. It does not include the religious or ceremonial use of tobacco.

List yourself and each family member ages 13 and older enrolled on your PEBB medical coverage. Select the YES or NO checkbox to attest to each family member. If you check YES or leave the check boxes blank for yourself or any family member age 13 or older, you will pay the monthly \$25 tobacco use surcharge. (To list more family members, attach additional copies of this form.)					Has this person used tobacco products in the past two months?

Section 2: Spouse or state-registered domestic partner coverage premium surcharge

If you do not have a spouse or state-registered domestic partner enrolled on your PEBB medical plan, skip this section. A monthly \$50 surcharge will be required in addition to your premium if you have a spouse or state-registered domestic partner enrolled on your PEBB medical, and your spouse or state-registered domestic partner has elected not to enroll in other employer-based group medical that is comparable to Uniform Medical Plan (UMP) Classic. (Comparison must be to UMP Classic, even if you are not enrolled in that plan.)

See if this surcharge applies to you by reviewing the *2017 Premium Surcharge Help Sheet* and, if directed, complete the *2017 Spousal Plan Calculator*. Find both at www.hca.wa.gov/public-employee-benefits.

Events that require a change: You may have to reattest to the spouse or state-registered domestic partner premium coverage surcharge during the PEBB Program's annual open enrollment (November 1–30). See www.hca.wa.gov/public-employee-benefits for situations in which you must reattest. Outside of open enrollment, you must also change your attestation:

Does the spouse or state-registered domestic partner coverage surcharge apply to you?
