**2016 Preliminary Employee Engagement Survey Results:**

**Results Overview:**

The survey was sent on Monday, March 28, 2016 to all active faculty, administrative professional and classified staff. The survey response period was from March 28, 2016 to April 08, 2016. The survey was completed online by 1,958 employees resulting in a response rate of 28.7% which is slightly less than the response rate of 30.2% for the 2014 Employee Engagement Survey. Of responses received in 2016, 24% came from faculty, 40% from administrative professional, and 36% from classified staff.

Overall, 70% of respondents indicated they are often or always satisfied at work, 21% indicated they are sometimes satisfied with work, and 9% are rarely or never satisfied with work.

The following results are preliminary results with a comparison of responses for 2014 and 2016. The full survey report will be available once all information has been analyzed.
