

**FACULTY  
BENCHMARK JOB CLASS  
CLINICAL ASSISTANT PROFESSOR/0267**

**Description Summary**

This is an entry level non-tenure track faculty position. Faculty members in the clinical track teach courses but also participate in the instructional activities of academic units beyond the formal teaching. For example, such faculty members might serve as Director of Undergraduate Education for an academic department.

**Examples of Suitable Qualifications**

An appropriate earned degree and experience related to the position.
