

**FACULTY
BENCHMARK JOB CLASS
COUNTY EXTENSION DIRECTOR
E-2/0573
E-3/0583
E-4/0593**

Description Summary

Positions assigned to this class lead WSU Extension programs and serve as administrator for county operations in the County. This position will function as an integral part of the WSU Extension team to provide educational programming on issues significant to residents of the area. This position will coordinate technical assistance and serve as a broker of educational programs for residents of the county, in addition to teaching classes and conducting educational programming in the area. This position is also responsible for the supervision of both professional and support staff.

The faculty will contribute to local, University, state and national recognition of WSU Extension as an essential education resource; will contribute to the recognition of WSU as a premier land-grant University; and will contribute to the Extension profession. The faculty will be knowledgeable about and promote the entire Extension program; and contribute an accurate, consistent, and positive message about Extension to funding partners, participants, and the wider community.

Examples of Suitable Qualifications

An earned Master's degree and appropriate experience.
