

**FACULTY
BENCHMARK JOB CLASS
PROFESSOR/290**

Description Summary

This is the second highest position for a tenure-track faculty member. Faculty members who have served at least 6 years as an Associate Professor or equivalent may request promotion to Professor. Tenured and tenure-track faculty members are expected to teach and advise students at both the undergraduate and graduate levels; conduct a program of independent, collaborative, and/or cross-disciplinary peer-reviewed, scholarship; pursue internal and external grant funding; and provide service to the department, college, university, public and/or profession. Professors are required to have a national or international reputation in their fields.

Examples of Suitable Qualifications

An earned terminal degree in an appropriate field and at least 6 years' experience as an Associate Professor or equivalent. A Professor is required to have a national or international reputation in his or her field.
