Benefits Reminders

Addition or Loss of Coverage: Will you or your dependents be experiencing a change in jobs that results in the loss or addition of health coverage? That may create a Special Open Enrollment event, allowing you to make changes to some of your benefits within 60 days of the event. Act early to prevent breaks in coverage or to minimize paying premiums you may not owe.

Double Coverage: According to Washington State’s Public Employee Benefits Board (PEBB) Program rules, enrollees cannot be double covered on a PEBB plan. If you are a new WSU employee but were covered on your spouse’s or parent’s PEBB plan, you have some choices to make. You may waive medical coverage to stay on your current plan, but you must enroll in your own dental plan as an employee.

New Employees:
- Departments are encouraged to enter new employee PERMS data as soon as possible! HRS relies on PERMS to identify benefit-eligible employees and inform them of their benefit elections and due dates.
- Sign up for New Employee Orientations; there are seven scheduled in August alone.

Crimson Spirit Award

Fran Meserve, principal assistant in the School of Music, is the July 2018 Crimson Spirit honoree.

Her nominator says "Fran Meserve has been with the WSU School of Music since the middle of the spring 2018 semester. In just a short time, Fran has successfully revamped the music office.... Faculty, staff, and students have all remarked how incredibly pleased they are with the work Fran does on a daily basis. She is selfless and remains committed to the needs of the academic unit."

The nominator continues, "I am personally struck by how intuitive and quick with problem-solving she is. She does not hesitate to follow up with colleagues and students to ensure tasks are fully executed. Anyone who visits the music office receives the highest quality of care and service from a truly high-quality individual. Fran is particularly adept at making sure all the 'behind-the-scenes' operations of our unit run smoothly and without hiccup. The students, the people to whom we dedicate our efforts, also benefit tremendously from Fran's skill set, keen intellect, and warm, genuine personality." Ms. Meserve is recognized for her creative problem-solving skills, superior quality service, and commitment to anticipating and meeting needs.

Save the Date! Quarter Century Club Celebration in October

This year, the event will be videostreamed to WSU Everett, WSU Spokane, WSU Tri-Cities, and WSU Vancouver. New and current QCC members and WSU employees are invited to participate at the location most convenient for them.
