

ELSON S. FLOYD COLLEGE OF MEDICINE

There were 24 respondents in 2016 compared to 10 respondents in 2014 who identified their department within the Elson S. Floyd College of Medicine. Within the Elson S. Floyd College of Medicine, the response average for statements 1-38 was 3.91, resulting in a 1.3% increase in the overall response average from 2014. Of those who responded, one third were administrative professionals, one third were classified staff, and one third were faculty.

As explained in the 2016 EES Results Report, responses were measured using a 5-option Likert scale with "Never" equaling 1 and "Always" equaling 5 to determine the frequency in which employees identified with the statements.

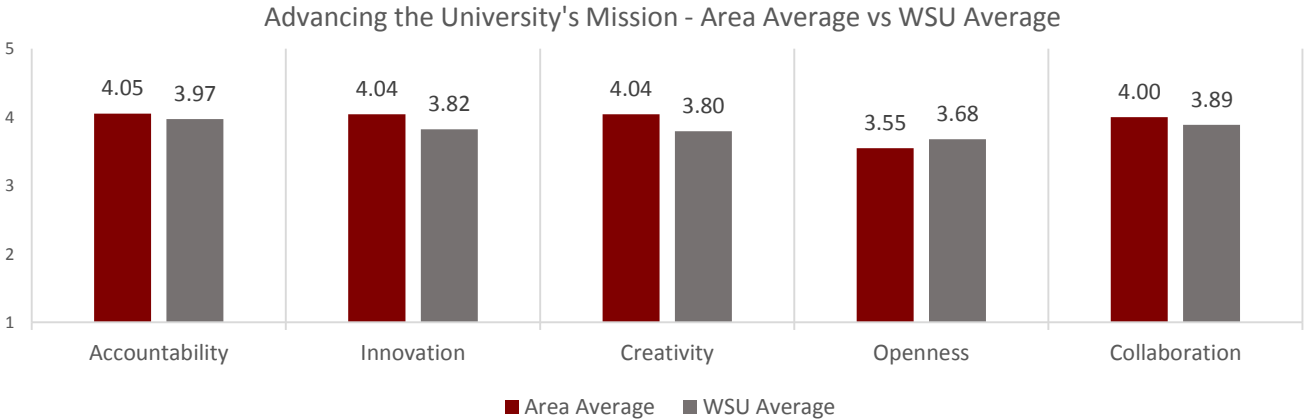

The overall satisfaction at work (statement 38) increased from 4.00 in 2014 to 4.08 for 2016. Additionally, for the 2016 survey, 79.17% of respondents said they always or often enjoy being part of their department (statement 28). A breakdown of response averages can be found at the end of this report on pages 4-5.

ENJOY BEING PART OF THEIR DEPARTMENT

ADVANCING THE UNIVERSITY'S MISSION:

For 2016, the survey asked respondents to identify the extent to which their department approached advancement of the University's mission, specifically as it related to the University goals of accountability, innovation, creativity, openness, and collaboration. This graph demonstrates the response average within Elson S. Floyd College of Medicine compared to the overall WSU average:

UNIVERSITY RESOURCES:

Based on feedback, the 2016 survey added additional statements regarding workplace concerns and employee awareness of WSU resources, specifically those resources related to Workplace Violence, Bullying, State Ethics, Discrimination, Sexual Harassment and Sexual Misconduct. This graph demonstrates the percentage of employees who identified awareness of the following University policies within Elson S. Floyd College of Medicine:

Policy Prohibiting Discrimination, Sexual Harassment, and Sexual Misconduct	95.83%
Workplace Violence	91.67%
Washington State University Ethics, Conflict of Interest, and Technology Transfer	83.33%
Bullying Prevention and Reporting	66.67%

EMPLOYEE FEEDBACK:

At the end of the survey, employees were given the opportunity to provide feedback regarding subjects not addressed in the survey. The following feedback, specifically related to employee perceptions of the workplace, was provided by respondents who identified themselves within Elson S. Floyd College of Medicine:

- Wonderful place to work
- A review is needed for the classification and compensation review process
- Employees should be able to evaluate leadership
- Upgrade antiquated personnel, accounting and student systems
- Workplace concerns on respect and trust for departmental leadership
- Conflicting views on curriculum
- More staff support needed for department

ACTION ITEMS:

In reviewing the lowest area response averages and the statements with negative change from 2014 to 2016 in Elson S. Floyd College of Medicine, initiatives to improve employee engagement and perceptions of the workplace may include, but are not limited to:

- Encourage communication with employees on how success is measured and provide on-going feedback on how to improve performance
- Improve communication efforts regarding changes at the department, college, and university levels
- Evaluate how input is solicited and taken into consideration
- Encourage knowledge and information sharing within the work unit
- Improve communication regarding the WSU policy concerning bullying prevention and reporting and provide employees with resources as appropriate
