25.1 UNIVERSITY COMMITTEES

The University will continue its current practices requesting nominees from the Union to serve on University committees, where deemed appropriate. If an employee or the Union identify a committee pertaining to Bargaining Unit members on which they wish to submit a nominee, they are to identify the committee to the Labor Relations Officer for consideration. In any instance where the Union has declined member participation in a committee, the Union will maintain the right to revisit participation.

Employees who are assigned or selected to participate on University Committees, upon approval from their department, may do so. Time spent at committee meetings will be considered time worked.
