INNOVATION AND ENTREPRENEURSHIP AT WSU

Innovation and Entrepreneurship at WSU

Innovation = Invention + Implementation

- Innovation is the future delivered; it is the land grant mission

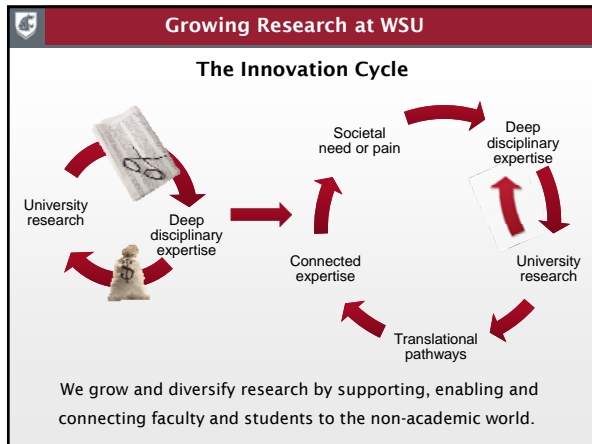

Entrepreneurship = a way of thinking and acting

- Imagining new ways to solve problems

• WSU supports a *culture of impact* that embraces and integrates three fundamental academic values:

- student education,
- exploratory basic research, and
- the land grant mission.

• WSU will convert discoveries into new products, services, and creative works to improve people’s lives.

- Campus Partnerships and Activities**
- Entrepreneurial Faculty Ambassadors
 - Presidential recognition and mandate for Drive to 25
 - Research engagement on and off campus
 - Incentive and recognition for T/P Policy
 - Innovation & Entrepreneurship Award (Annual, at Showcase)
 - Presidential Innovation & Outreach Symposia at Pullman, Spokane, Tri-Cities campuses
 - Translational Medicine Symposium (WSU-S) – medical community outreach and engagement
 - SINE and Economic Development Council – Spokane community outreach, alumni and industry engagement
 - Student engagement – iCorps, Honors College, Amazon Catalyst, Entrepreneurship programs, teaming events
