Are You In Need Of Child Care Over The Summer?

Bright Horizons offers Washington State University employees a portal to find in-home caregiver services, including babysitters, full and part-time nannies, pet sitters, tutors, and individual senior caregivers.

Paydays

Friday
June 9

Monday
June 26

WSU recognizes employees may have a need for these services due to being new to the area, or having changes in their family/home situations. It may be difficult to find individuals or facilities to provide these services or care. In light of this identified need, WSU offers this benefit, which consists of a portal where local service providers can be found and hired to help with a variety of family needs. And, **WSU pays for your membership**, allowing for free access to find the provider of your choice.

You can find a degree of assurance in the Bright Horizons programs, as background checks can be performed on listed providers, and you are able to view feedback and reviews of customers who have used a specific care giver. You are responsible for making all arrangements including selecting providers and the cost of the actual care. WSU does not endorse or recommend individual caregivers.

Please visit Bright Horizons website at: <http://www.careadvantage.com/wsu> or WSU's website at: hrs.wsu.edu/employees/wellcoug/bright-horizons-sitter-city to find out more information or to register for an account. Through Bright Horizons, you will create a profile by providing basic personal information and your WSU ID. After the account is created, the search for caregivers can begin!

Questions? Please contact Human Resource Services at (509) 335-4521 or hrs@wsu.edu
