- Make sure extended cyclic time reports are getting to HRS by document cut-off!
- For those going out in May, if they are in full pay status their last scheduled day they are eligible for the holiday. Time report needs sent to HRS to process so we can pay that out!
- Candy is leaving, please start cc’ing Lorelei Smith, lorelei.smith@wsu.edu on everything as she will be taking Candy’s place.

Always turn in LWOP, even if it is after document cut-off. We WILL process LWOP up until we are running payroll! No one likes overpayments!

Please do NOT CC payroll for current LWOP. HRS is awesome about getting it up to us same day.

For submitting time reports via email other than LWOP, please use payroll.timereports@wsu.edu.

If your department contacts are incorrect on our website, please email payroll@wsu.edu to get this updated.

Payroll is working heavily with Modernization on the Work Day implementation!

Please be patient with us if you are experiencing longer response times. If there is an urgent matter please consider emailing us instead of calling.

As always we recommend emailing payroll@wsu.edu and calling 509-335-9575 so you can be directed to someone who can help you.
Thank you for everything you do! Payroll wouldn't be successful without your hard work and diligence!
