

**FACULTY
BENCHMARK JOB CLASS
CAREER TRACK ACADEMIC APPOINTMENTS
TEACHING SUB-TRACK
Effective August 16, 2020**

Career Track Teaching Faculty whose primary responsibility is teaching or student advising and with little or no additional expectations in research, scholarship, creative activity, leadership, or academic service. Faculty with a teaching appointment will often have large teaching commitments according to their assignment and contract. In some colleges, teaching may involve teaching in a clinical setting.

All career track appointments should align with current Washington Administrative Code Regulations (WAC 250-61-100).

Suitable Qualifications are an appropriate earned degree and experience related to the position.
