Common Questions

6

WASHINGTON STATE UNIVERSITY Human Resource Services

When does basic coverage begin?

JANUARY 2020						
Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
29	30	31	1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
19	20	21	22	23	24	25
26	27	28	29	30	31	1

Coverage will retroactively go into effect once all forms are processed. Retroactive premiums will be deducted back to the effective date.

If forms are submitted after your effective date, you are still covered, but you may not yet be reflected as covered when you seek services.

7

WASHINGTON STATE UNIVERSITY Human Resource Services

Who can I cover?

Eligible dependents are identified as:

Spouses/State Registered Domestic Partners

- Lawful spouses
- Registered domestic partners from other states/countries
- Registered domestic partners in Washington
 - One partner must be at least age 62

Children

- Biological, step, adopted, and children under legal obligation
- Up to age 26, regardless of student or IRS dependent status
- Disabled children, incapable of self-support, may be able to be carried beyond age 26

8

WASHINGTON STATE UNIVERSITY Human Resource Services

When will I get my ID cards?

Medical ID cards are sent out about 2-3 weeks after your forms are submitted.

- Employee ID cards are sent first
- Dependent ID cards are sent in a separate mailing

Please note: You will not receive a dental ID card from Uniform Dental or Willamette Dental.

9

How do I enroll or waive coverage?

Enrollment forms are in the back section of your Employee Enrollment Guide.

- **Benefit Acknowledgement Form (BAF)**- Includes due dates for submitting enrollment forms
- **Medical/Dental Enrollment Form**- Must be completed to enroll or waive coverage
 - Must have other employer-based coverage to waive
 - Dental coverage cannot be waived

You must provide Dependent Verification to enroll dependents.

Please Note: Employees who do not submit their enrollment form within 31 calendar days of hire will be defaulted to Uniform Medical Plan Classic and Uniform Dental Plan, employee only coverage.

What if I am already enrolled in PEBB coverage?

PEBB does not allow dual enrollment within the Washington State PEBB network.

If you are already enrolled in PEBB coverage as a dependent under a spouse, state-registered domestic partner, or parent's plan, you may either choose to:

- **Waive** PEBB medical coverage, and stay enrolled as a dependent on your current medical plan. You must then be removed from your current dental coverage.
- **Enroll** in PEBB medical coverage under your own account, and be removed from your current medical coverage. You must also then be removed from your current dental coverage.

When can I make changes to my coverage?

During Annual Open Enrollment (pg. 17)

- Occurs each November
- Changes effective January 1 of the following year

During Special Open Enrollments (pgs. 18-19)

- Defined as a Special Open Enrollment Event
- Must request change within 60 calendar days of the event
- Delay in submission will result in delay in coverage or the inability to make the change

How does the Affordable Care Act (ACA) affect me?

Effective January 1, 2014, most individuals are required to have health insurance coverage.

- Health insurance offered to benefit-eligible WSU Faculty, Staff and non-student hourly employees has been determined to meet and/or exceed the coverage standards identified by the ACA .
- If you are currently enrolled in a subsidized Marketplace Plan, you may no longer be eligible for to receive that subsidy or plan. Contact the Administrator as soon as possible.

- Funds can be used to pay for IRS qualified out-of-pocket medical expenses
 - Must be declared on taxes
 - Keep receipts in event of an audit
- Pay for your own expenses or the expenses of any tax dependents, even if they aren't on the plan
- Balance grows year over year, investment options may be available past a certain balance
- After age 65 funds can be withdrawn as taxable income with no penalties
- Multiple use options- debit card, online Bill Pay, reimbursement

33

Health Savings Accounts (HSA) Continued

2020 Annual Contribution Limits

Plan	Automatic Employer Contribution	Maximum Contribution Limit
Employee Only	\$58.34/month, \$700.08/year	\$3,550/year
Family Coverage	\$116.67/month, \$1,400.04/year	\$7,100/year

Notes:

- Those ages 55 and over can contribute an additional \$1000 per year
- Annual limits are per household, and include both employee and employer contributions, as well as the SmartHealth Wellness Incentive
- Employer contributions are deposited at the end of each month

CDHP vs. Traditional Plan Comparison

	CDHP	Traditional
Annual EE Premium	\$300	\$1248
Annual Deductible	\$1400	\$250
ER Contribution to Savings Account	\$700	\$0
$\$1248 - \$300 = \$948$		
Savings in EE Premiums with a CDHP	EE could contribute this amount to HSA, and have the same out-of-pocket outlay as they would have had in a low deductible plan. PLUS, the HSA is something they can utilize now and in the future.	
FSA vs. HSA	<ul style="list-style-type: none"> - Both allow for tax-free contributions for medical expenses - HSA funds roll forward, and can be used as retirement funds in the future. FSA are an annual benefit only - FSA is available for full use as of January 1; HSA must be contributed to before it can be used 	

Health Savings Accounts (HSA) Exclusions

Long Term Disability

Long Term Disability (LTD) insurance is designed to help protect you from the financial risk of lost earnings due to serious illness or injury. It pays a percentage of your monthly earnings if you become disabled.

How it works:

Benefits begin to be paid out at the end of your selected waiting period, or when your accrued sick leave balance would be depleted, whichever is longer.

Benefits continue to be paid until you are no longer disabled or reach normal retirement age, whichever is first.

Long Term Disability

Basic coverage (no cost to you):

- 90 day waiting period
- \$50 - \$240 a month benefit (taxable)

Supplemental coverage (associated premium):

- A 60% non-taxed benefit, with a \$6,000 monthly maximum
- Choice of waiting period ranging from 90-360 days
- Available without Evidence of Insurability (EOI) during your first 31 days of employment

Please note: As of January 1, 2020, Washington State Paid Family and Medical Leave (PFML) is available to cover the first 90 days of most disabilities. For more information, visit paidleave.wa.gov or contact WSU Disability Services.

Long Term Disability

How to determine premium example:

If a WSURP participant chose a 90-day waiting period and makes \$2,500 per month, this employee would pay \$18.00 in monthly premiums.

$$\$2,500 \text{ (monthly income)} \times 0.0072 \text{ (premium rate)} = \$18.00$$

In the event of a qualifying injury or disability, this employee would receive a payout of \$1,500 per month after the 90-day waiting period passes.

Benefit Waiting Period	WSURP	TRS, PERS, other plans
90 days	0.72%	0.60%
120 days	0.42%	0.36%
180 days	0.32%	0.28%
240 days	0.30%	0.27%
300 days	0.28%	0.25%
360 days	0.27%	0.24%

Long Term Disability

Considerations:

- How long could you live without your salary if you were medically unable to work?
- Do you have other income to rely upon, and if so, for how long?
- What is your family history? Are there chronic or terminal medical conditions in your family history?
- Medical conditions could be temporary, permanent, or partially permanent
- Changes to your coverage can be requested at any time, however:
 - Requests outside of initial 31 days require medical underwriting with Evidence of Insurability
 - Requests are submitted to the insurance company for review and employees are contacted with the final decision of approval or denial
 - **Extremely low percentage of employees are approved for optional coverage outside initial 31 days**

Long Term Disability
