25.1 UNIVERSITY COMMITTEES

- A. If an employee or the Union identify a committee pertaining to Bargaining Unit members on which they wish to submit a nominee, they are to identify the committee to the Labor Relations Officer for consideration. In any instance where the Union has declined member participation in a committee, the Union will maintain the right to revisit participation.
- B. Employees who are assigned or selected to participate on University Committees, upon approval from their department, may do so. Time spent at committee meetings will be considered time worked.
