

Annual Leave

Accrual

Full-time Administrative Professional employees earn 16.67 hours of annual leave for each month of completed service. Unused leave is cumulative to a maximum of 352 hours.

Annual leave accrues on a pro-rata basis

- For less than 100 percent appointments
- For partial months worked

Employees on less than 12-month appointments earn annual leave for each month of their scheduled work year. Leave is accrued while an employee is on paid leave. Leave is not accrued while an employee is on unpaid leave. Leave is prorated for partial months of unpaid leave.

Use

Leave is scheduled with the approval of the unit administrator. Annual leave may not be taken before it is earned; annual leave is not earned until the first day of the following month. **EXCEPTION:** The annual leave hours earned during the final month of the appointment may be used in the final month.

Employees on temporary appointments must use annual leave prior to the expiration of their appointment to avoid loss of earned leave.

Administrative Professional employees are free during the time outside the service period or during annual leave to seek other employment, perform consulting work, or take advantage of educational opportunities. Employment or consulting work must be consistent with University policy and applicable laws.

Payment

Annual leave is paid at the time of separation from state service. Human Resource Services authorizes payment based on the total accrued leave balance.

Accumulated annual leave for employees on temporary appointments must be used prior to the termination date, unless the employee obtains a written exception from the Appointing Authority. These restrictions are noted on the employee's Personnel Action Form.

Payment is calculated with the following formula:

- Hours of unused leave x monthly salary x .0063

Sick Leave

Full-time Administrative Professional employees earn eight (8) hours of sick leave for each month of completed service.

Sick leave accrues on a pro rata basis:

- For less than 100 percent appointments
- For partial months worked

Employees on less than 12-month appointments earn sick leave for each month of their scheduled work year. Leave is accrued while an employee is on paid leave. Leave is not accrued while an employee is on unpaid

leave. Leave is prorated for partial months of unpaid leave.

Sick leave may not be taken before it is earned; sick leave is not earned until the first day of the following month. It may be used in case of illness or disability of the Administrative Professional employee or his or her immediate family member. Sick leave may be used for condolence or bereavement. (See emergency leave for additional information.)

Payment is based on two figures: (1) 25 percent of unused sick leave and (2) salary at the time of payment.

- 25 percent x hours of unused sick leave x monthly salary x .005747

VEBA Medical Expense Plan ("VEBA MEP")
