Discrimination and Sexual Harassment Prevention Training

How to access and complete the online course

Step 1: Navigate to your Online Learning Account to Log In:

https://hrs.wsu.edu/training/

Step 2: Access the course information page

If you are not already logged into University systems, you will encounter this screen in which you need to enter your credentials.

Step 3: In the Search Content box, enter the course name and press the Enter key. In the results, it will default to the Instructor Led Training (ILT) course. If you prefer the online option, select the Custom button next to ILT.

You can then Launch the course directly from the resulting screen.
