Coming soon – supplemental life insurance one-time enrollment opportunity

The PEBB Program is providing a one-time opportunity to apply for or increase your supplemental life insurance coverage with simplified enrollment.

Life insurance is a cost-effective way to protect your family and your finances. It helps ensure your short- and long-term financial obligations could be met if something unexpected happens to you.

What's more important than knowing your loved ones are protected?

You want to do all you can to build the best life for your loved ones. That's why you work hard, save what you can and try your best to plan for the future. But it can be hard to accomplish everything you want and take care of the things you know you should do.

It shouldn't be difficult to protect your loved ones' future.

Now you can get extra protection by applying for or increasing your supplemental life insurance coverage by answering just five health questions.¹

Review your life insurance needs during this one-time enrollment for PEBB members, November 1 through 30, 2020. The MetLife online Statement of Health process now delivers most decisions in real-time.

Build the best future you can for your family.

Give the gift of more life insurance to better protect your family's financial future.

1. MetLife will review your information and evaluate your request for coverage based upon your answers to the health questions, MetLife's underwriting rules, and other information you authorize us to review. In certain cases, MetLife may request additional information to evaluate your request for coverage.

Nothing in these materials is intended to be, nor should be construed as, advice or a recommendation for a particular situation or individual. Like most group insurance policies, MetLife group life insurance policies contain certain exclusions, limitations and requirements for maintaining coverage in force. Any such exclusions, limitations and requirements will be described in the life insurance certificate.
