Purpose of this Handbook

This Administrative Professional (AP) Handbook summarizes Washington State University (WSU or University) policies and procedures for Administrative Professional personnel. It conveys information regarding WSU services, facilities, and employee benefits, as well as other information required by state and federal governments. The handbook is web-based with links to complete information on most subjects. Periodic updates will be provided electronically on the Human Resource Services website and announced through WSU Announcements. If you have questions about information in the handbook, please contact Human Resource Services at 509-335-4521.

Administrative Professional employees provide key support in the areas of research, public information, development, computer systems and network programming, personnel, legislative relations, internal audit, counseling, graphic arts, and extension and/or continuing education. Others serve as executive heads, principal assistants, managers, supervisors, and serve in related capacities that maintain continuity of operations within the University community. As a group, Administrative Professional employees function as a significant link between the teaching, research, extension, and Civil Service staff who support WSU's mission.

About Washington State University

A Brief History

Washington State University was founded March 28, 1890, less than five months after Washington's entry into the Union, by the first Washington legislature. WSU was established under the Morrill Act of 1862, which provided grants of land to each state for a college providing education in agricultural and mechanical arts as well as in the liberal arts.

The Morrill Act opened higher education to groups who previously had been excluded. In a quiet way, the Morrill Act was a revolutionary document aimed at enhancing the equality of higher education opportunities.

WSU originally was named Washington State Agricultural College and School of Science; however, before the first classes began in January 1892, the name was changed to Agricultural College, Experiment Station, and School of Science of the State of Washington. In 1905, the name once again was changed, this time to State College of Washington. This name endured until 1959 when it was changed to Washington State University. Refer to the WSU website for additional information: wsu.edu.

Past presidents of WSU were George Lilley, 1891–92; John W. Heston, 1892–93; Enoch A. Bryan, 1893–1915; Ernest O. Holland, 1916–44; Wilson Compton, 1945–51; C. Clement French, 1952–66; Glenn Terrell, 1967–85; Samuel H. Smith 1985–2000; V. Lane Rawlins, 2000–07; Elson S. Floyd, 2007–15; and Daniel J. Bernardo, 2015–16. Kirk Schulz, WSU's current chief executive, became President in 2016.

More detailed information about President Kirk H. Schulz, Presidential committees, the Board of Regents, and Washington State University can be found on the President's website: president.wsu.edu.

A copy of the Strategic Plan can be found at strategicplan.wsu.edu.

Policy for Administrative Professional Employees

Administrative Professional employees are exempted from the civil service rules in accordance with RCW 41.06.070. The Administrative Professional Handbook applies to all Administrative Professional employees. Those employed as medical residents who are governed by a designated accrediting authority are subject to the governing documents related to their specific residency. Medical residents shall refer to the appropriate policy handbook that corresponds with their program. Athletic coach's terms and conditions of employment may be governed by an employment agreement.

The Administrative Professional Handbook conveys information about the nature, operation, and organization of WSU, summarizing WSU policies relating to Administrative Professional employees. Neither this handbook nor any University policies, procedures, or practices shall be construed as an express or implied contract of employment or a promise of continued employment. Although this handbook contains a compilation of current policies relating to Administrative Professional employment, these policies evolve over time as the institution and its internal and external environments change. For these reasons, the University reserves the right to revise this handbook, or any of its policies or benefits, or to institute new policies or benefits, provided these changes are not inconsistent with state and federal law. Any such modification applies upon adoption by the University, regardless of previous provisions that may have been in effect. The most current revision of the handbook is available on the Human Resource Services website: hrs.wsu.edu.

The laws of the State of Washington and appropriate Washington Administrative Code provisions also apply to all employees, as does the University's Business Policies and Procedures Manual (BPPM). The manual can be found at policies.wsu.edu. All University policies are subject to federal and state laws; where there is deemed to be a conflict, the provisions of law apply.

Recruitment, Selection, and Salary Procedures

Washington State University is an Equal Opportunity/Affirmative Action employer. The procedures for recruitment, selection, and salary determination of Administrative Professional personnel are outlined in BPPM chapter 60 as follows:

- Recruitment and Selection of Administrative Professional Personnel, BPPM 60.17
- Classification and Reclassification, BPPM 60.02
- Administrative Professional Salary Determination and Adjustment, BPPM 60.12

For information and assistance, please contact Human Resource Services at 509-335-4521 or refer to the HRS website: hrs.wsu.edu.

Employee Designations

Overall responsibility for personnel administration lies with the Vice President and Chief Human Resources Officer. The following definitions have been established for WSU Faculty, Administrative Professional, and Civil Service employees. Whenever questions arise about the designation of an Administrative Professional employee, the Vice President and Chief Human Resource Officer, in consultation with the appropriate administrative officers and Human Resource Services, will make the final decision.

- **Faculty:** Employees who are appointed to faculty positions and perform academic, research, extension, and library duties as determined by the Faculty Manual.
- **Administrative Professional (AP):** Employees who perform duties which are exempted from civil service in accordance with RCW 41.06.070. A general summary of exemption criteria may be found in Attachment A.

- **Civil Service (CS):** Employees who are covered under the State of Washington Office of Financial Management Civil Service Rules.
- **Bargaining Unit Covered (BU):** Employees who are covered by the terms and conditions of Collective Bargaining Agreements.

Position Allocation – Appointments

Human Resource Services (HRS) is responsible for ensuring all Administrative Professional positions meet the Exemption Criteria as outlined in [RCW 41.06.070](#) for a given category and are properly allocated. This is accomplished through a job auditing process that includes a review of the position duties. Administrative Professional appointments must be benefits-eligible for a minimum of 50% FTE (full-time equivalent) and for more than a 6-month appointment term (i.e., 6 months plus 1 day). Contact HRS for template offer letters which can be sent outside Workday.

Reappointment of a Retired Employee – Appointments

Prior to extending an offer to or re-appointing an individual who has previously retired from WSU or from other Washington state employment to a temporary or permanent AP position, HRS must be contacted to discuss the appointment. In some cases, the applicable retirement plan may impose limitations on the nature and duration of the appointment.

Summer Appointments

Administrative Professional personnel hired on less than 12-month appointments may accept summer appointments.

Employee Benefits

New employees must complete all insurance and retirement enrollment forms within 31 days of initial hire to ensure benefit rights. For enrollment and benefit information, contact HRS at 509-335-4521 or visit the website: hrs.wsu.edu/benefits.

Health Insurance, Life Insurance, Long-Term Disability, and Long-Term Care Insurance

Administrative Professional employees who work at least half-time (50% FTE) per month and are expected to be employed for more than six months are eligible for insurance benefits. Basic benefit coverage begins the first day of the month following employment, unless eligible employees begin work on the first working day of the month, in which case coverage begins that day. Optional coverage begins the first of the month after the forms are submitted, or after the insurance underwriter approves the request.

There is an annual open enrollment period in which employees may change their medical/dental plans. Changes in life and Long-Term Disability insurance may be requested at any time and are subject to insurance underwriting.

The Washington State Health Care Authority is the agency responsible for the purchase and coordination of health insurance benefits through the Public Employees Benefit Board plans.

Eligible WSU employees may also participate in medical Flexible Spending Accounts, Dependent Care Assistance plans, automobile and homeowner insurance plans, and long-term care insurance plans.

Retirement Plan Eligibility and Participation

Administrative Professional employees who are appointed to at least a half-time (50% FTE) per month position and are expected to be employed for more than six months are required to participate in either the WSU Retirement Plan (WSURP), with the current retirement vendor being TIAA, or the Public Employees Retirement System (PERS) Plan 3. An employee appointed to an eligible position may elect to enroll in one of the plans during the first 30 days of employment. If at the end of 30 days they have not chosen a plan, they will be automatically enrolled in the WSURP. If a new employee has prior service in a State of Washington

Department of Retirement Systems (DRS) plan, it may impact what retirement plan they are eligible to participate in while working at WSU.

Employees who are reclassified to an eligible Administrative Professional position may be given an option to irrevocably enroll in the WSU Retirement Plan within 30 days of reclassification or elect to continue their participation in the DRS plan. Prior retirement elections may impact the ability to change plans due to reclassification.

Under the DRS/PERS plans, employees elect how much they would like to contribute, with contribution rates ranging from 5%–15%. The employer contributions are set by the State legislature. For the WSURP, WSU matches employee contributions on a one-for-one basis in accordance with the following requirements:

- Under age 35 - 5 percent employee contribution is required
- Age 35 and Over - 7.5 percent employee contribution is required
- Age 50 and Over - Optional 10 percent employee contribution

The WSURP is a 403(b) defined contribution retirement plan where the employee determines how funds are to be invested. The PERS Plan 3 plan is a 401(a) hybrid plan, where employer contributions fund a defined benefit/pension benefit. In the PERS Plan 3, the employee contributions fund a defined contribution retirement benefit and the employee also determines how funds are to be invested.

In addition to the required retirement plans, eligible employees may contribute to one of the voluntary retirement programs offered at WSU, including TIAA's voluntary investment plan, or the State of Washington's Deferred Compensation Plan. Contributions are not matched by the University but may be made on a pre- or post-tax deferred basis, for as little as \$15 per pay period up to the maximum allowed by the Internal Revenue Service.

Payroll Services

New employees must complete a W-4 withholding certificate. See the [Workday: Manage your Payroll Options: Complete Federal Withholding Elections Reference Guide](#) and [Workday: Manage your Payroll Options: Complete State and Local Withholding Elections Reference Guide](#) for information on how to complete the W-4 form.

Employees are encouraged to authorize the University to deposit their net pay directly into their designated bank account. See the [Workday Payroll Guide: Complete Payment Elections Reference Guide](#) for enrollment procedures. Employees who do not choose to participate in the direct deposit program will receive a paycheck by mail. All employees have electronic access to their payroll statements.

In accordance with state law, pay periods are semimonthly lagged, with 24 paydays per calendar year. A schedule of state paydays is published each year on the Payroll Services website: payroll.wsu.edu.

Pertinent Laws and Policies

Non-Discrimination Statement

In matters of admissions, employment, housing or services, or in the educational program or activities it operates, WSU does not discriminate or permit discrimination by any member of its community against any individual on the basis of; race, creed, color, national or ethnic origin, sex and/or gender, age, sexual orientation, gender identity or expression, genetic information, religion, marital status, physical, sensory or mental disability, including the use of a trained guide dog or service animal, immigration or citizenship status (except as authorized by federal or state law, regulation, or government contract), or status as an honorably discharged veteran or member of the military.

Inquiries about WSU's policies relating to sex discrimination, sexual harassment, and sex and gender-based violence, as well as complaints of discrimination or harassment based on other protected classes, may be made to the Title IX Coordinator and/or Compliance and Civil Rights (CCR) at 509-335-8288. For additional information refer to the website: ccr.wsu.edu.

Equal Employment Opportunity/Affirmative Action Statement

WSU is an equal opportunity employer committed to providing equal opportunity to applicants and employees without regard to race, creed, color, national or ethnic origin, sex and/or gender, age, sexual orientation, gender identity or expression, genetic information, religion, marital status, physical, sensory or mental disability, including the use of a trained guide dog or service animal, immigration or citizenship status (except as authorized by federal or state law, regulation, or government contract), or status as an honorably discharged veteran or member of the military. WSU has made, and will continue to make, every effort to eliminate barriers to equal opportunity encountered by these protected group members.

Aspirations have been set for affected group members in those job groups or areas where it has been determined that underutilization exists. The University makes good faith efforts to meet these aspirations and reviews progress on an annual basis. For information about WSU's Affirmative Action Program, contact Compliance and Civil Rights at 509-335-8288 or refer to the website: ccr.wsu.edu.

Sexual Harassment

WSU does not tolerate sexual harassment. Sexual harassment is a type of gender discrimination and is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education;
- Submission to or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting that individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work or educational performance or creating an intimidating, hostile, or offensive environment.

Persons with complaints are encouraged to discuss the matter promptly with their supervisor, department chair, dean, other appropriate administrator, or Compliance and Civil Rights (CCR) to allow for an effective resolution. Complaints that cannot be resolved at the supervisor level should be brought to the attention of CCR. Every effort will be made to protect the rights of both the complainant and the respondent.

For copies of the Discrimination and Sexual Harassment Policy, contact CCR at 509-335-8288 or refer to the website: ccr.wsu.edu.

Commitment to Diversity

WSU endeavors to model, for the state and nation, a community of individuals who seek what is best for each other. The University respects and significantly benefits from diversity such as may be expressed through racial/ethnic, gender identity/expression, cultural, disability, sexual orientation, religion, age, color, creed, nationality, marital status, military status and socioeconomic differences among the faculty, staff, and students. The University takes seriously its responsibility to offer educational and professional opportunities equitably to all qualified persons it can accommodate. The University, through its curriculum, programs, and services, provides understanding and supportive interaction among diverse population groups and respects individuals' personal values and ideas. It is incumbent upon each member of the WSU administration, faculty, and staff to make every good faith effort to fulfill this commitment. Complete class guidelines are outlined in [Executive Policy #15](#), Policy Prohibiting Discrimination and Harassment.

Domestic Violence and the Workplace

Washington State University is concerned and committed to employees' safety and health including employees who are victims of domestic violence. For employees who are affected by domestic violence,

every reasonable effort will be made to provide support and assistance including:

- A confidential mechanism for requesting help for oneself or family members.
- Resource and referral information.
- Work schedule adjustments or leave, as needed, to obtain medical, mental health, legal assistance and/or confidentially secure shelter. Employees may use annual leave, sick leave, leave without pay, or any combination thereof.
- Workplace relocation, as feasible.
- Other appropriate assistance on an individual case basis to create a safe and non-threatening situation.

For more information or assistance, please contact Human Resource Services at 509-335-4521 or the Employee Assistance Program at 877-313-9490. A link to the guidelines can be found at hrs.wsu.edu/Domestic+Violence+Guidelines and a link to the Domestic Violence checklist can be found on the same page.

Workplace Violence & Bullying Prevention

The University is committed to maintaining an environment that is free from all acts of bullying and acts or threats of violence perpetrated by or against employees, students, or members of the public.

For more information or assistance please contact Human Resource Services at 509-335-4521 or visit hrs.wsu.edu/safe-environment/.

The Workplace Violence policy is detailed in [BPPM 50.30](#).

The Bullying Prevention policy is detailed in [BPPM 50.31](#).

Use of University Property

WSU facilities and equipment are for official use only subject to the limited exceptions. WSU property includes all University supplies, equipment, facilities, and real property. The policy may be found in [BPPM 20.35](#).

Personal Use of University Resources

OVERVIEW ([RCW 42.52.160](#)) ([WAC 292-110-010](#))

State officers and state employees are obligated to conserve and protect state resources for the benefit of the public interest, rather than their private interests. Responsibility and accountability for the appropriate use of state resources ultimately rests with the individual state officer and state employee, or with the state officer or state employee who authorizes such use.

A University employee may not use state resources under their official control, direction, or custody for private benefit or gain of the employee or any other person.

The use of state resources related to the conduct of official business is permitted. The use of state resources for any purpose other than official state duties is governed by the following state laws: [RCW 42.52, Ethics in Public Service](#); [WAC 292-110-010, Use of State Resources](#). These laws provide for the personal use of state resources under limited circumstances. This policy sets forth the guidelines for permissible, limited, and prohibited uses of state resources regardless of the type of state resource. The policy can be found in [BPPM 20.37](#).

Provisions of the Drug/Alcohol-Free Workplace Law and Smoking, Tobacco, and Nicotine Use

WSU has developed programs to prevent unlawful possession, use, and/or distribution of illegal drugs and alcohol by students and employees. The University has created education and training programs to aid in establishing a drug-free workplace. Sanctions for illegal use of drugs and/or alcohol in the workplace may include, but are not limited to, recommendations for completion of an appropriate rehabilitation program,

written or verbal warning, censure, dismissal, and, in emergency situations, immediate suspension. The policy can be found in [Executive Policy #20](#), Alcohol and Drug Policy.

Additionally, Washington state law ([RCW 70.160](#)) prohibits smoking in any University owned, leased, or rented public place or place of employment.

WSU Everett, WSU Pullman, WSU Spokane, WSU Tri-Cities, WSU Vancouver, and WSU-owned and managed noncontiguous properties (such as research and extension centers, farms, and stations) have additional restrictions regarding tobacco and nicotine use on campus. See below. NOTE: Such restrictions do not apply to tobacco cessation programs or approved research. The policy can be found in the [Safety Policies and Procedures Manual \(SPPM\) 6.10](#) and at hrs.wsu.edu/Tobacco-Nicotine-Free.

Reasonable Accommodation

Several statutes provide legal protection for persons with mental, physical, or sensory disabilities. These include Washington's Law Against Discrimination (WLAD) ([RCW 49.60](#)), the Federal Rehabilitation Act of 1974, and the Americans with Disabilities Act (ADA). State and federal law require employers to define job functions for hiring purposes and to make "reasonable accommodations" for workers, clients, and customers with disabilities. The ADA also includes rules governing accessibility. This body of law, as it may evolve over time, shall be applicable to the University's compliance in this field.

Job-related questions about Reasonable Accommodation should be addressed to Human Resource Services, and accessibility questions directed to Compliance and Civil Rights. WSU will provide reasonable accommodation(s) to employees in their current position. Other options may include a change in position, paid or unpaid sick leave, long-term disability, or separation or retirement because of health conditions. Each employee's circumstances and the reasonableness of any requested or contemplated accommodation will be evaluated on a case-by-case basis. Please contact Human Resource Services for additional information, 509-335-4521 or refer to the website: hrs.wsu.edu.

Provisions of the "Whistleblower" Act

State employees may report improper governmental actions to the Office of the State Auditor of the State of Washington. To encourage the reporting of improper governmental actions, employees are protected from retaliation by provisions of state law.

Employees may not use or attempt to use their official authority or influence to interfere with the right of an individual to disclose information to the State Auditor ([RCW 42.40](#)). The policy can be found at [BPPM 10.20](#).

Nepotism Statement

Discrimination against an employee because of marital status or any other relationship with another employee is prohibited. WSU seeks to employ qualified persons in all positions without regard to a person's relationship with other University employees. However, no employee shall supervise, vote, make recommendations, or in any other way participate in the decision of any matter that may directly affect the appointment, tenure, promotion, salary, or any other status or interest of such employee's parent, child, spouse, partner, state registered domestic partner, sibling, in-law, or close relative. The policy can be found at [BPPM 60.14](#).

Overtime Eligibility and Compensatory Time

Both federal (Fair Labor Standards Act) and state laws, including the Washington Minimum Wage Act, set minimum wage, overtime pay, equal pay, record keeping, and child labor standards for covered employees.

Human Resource Services reviews the duties and responsibilities of Administrative Professional positions to determine which positions qualify for exemption from the applicable overtime provisions. See [BPPM 60.59](#) for additional information.

For those positions that qualify for overtime, employees must receive approval from their supervisor prior to working any hours beyond their standard workweek. For overtime-eligible positions, full-time employees must be paid at one-and-one-half times their regular hourly rate for all time worked in excess of 40 hours per week. All paid holidays (including the Personal holiday) during the employee's regular work schedule are considered time worked. Leave with pay during the employee's regular work schedule is not considered time worked for purposes of determining overtime eligibility.

The official WSU workweek is 12:01 a.m. Sunday to midnight Saturday. Some positions may be assigned to a different workweek; HRS must be notified of the workweek change. If prior agreement is made with the employee, compensation may be taken as compensatory time off at the rate of time and one-half. Accrued compensatory time off cannot exceed 240 hours.

Part-time overtime-eligible AP employees must be compensated for all hours worked over the regularly scheduled FTE percentage. Additional hours worked up to 40 in a workweek must be paid at the straight time rate of pay. Part-time overtime-eligible AP employees must be paid at one-and-one-half times their regular hourly rate for all time worked in excess of 40 hours per week.

The employing official administers the accrual and use of compensatory time off taking into consideration the work requirements of the department and the wishes of the employee. Accrual and use of compensatory time off are based on an agreement or understanding between the supervisor and the employee prior to the performance of overtime work. The policies can be found in [BPPM 60.26](#) and [60.59](#).

Contact Human Resource Services at 509-335-4521 with questions regarding overtime eligibility and compensatory time off.

Complaint Procedure

If a workplace conflict exists, every effort should be made to remedy the issue with the immediate supervisor or the first-level supervisor not involved in the dispute. If a situation in the workplace exists that is not covered by other University complaint procedures, the Administrative Professional employee may address the issue in the following manner:

- Issues not resolved that involve alleged illegal discrimination should be handled by following the prescribed procedure in [Executive Policy #15](#), Policy Prohibiting Discrimination and Harassment.
- Other workplace concerns should be handled by following the prescribed procedure in the [Workplace Concern Resolution Process](#).

A link to the process can be found at hrs.wsu.edu/resources/policies-resources or contact Human Resource Services, Compliance and Civil Rights, Campus Human Resource personnel, or the Ombudsman's Office.

Responsibilities

Code of Ethics

Washington State University is an institution of higher education whose employees uphold high standards of ethical behavior. These standards include respecting and defending free inquiry, acknowledging the contributions of others, showing due respect for the governance of the University, following applicable federal and state laws, and protecting institutional integrity by observing published regulations and policies in order to increase the effectiveness of the University. Administrative Professional employees, as they undertake personal and private activities in the wider community, should clearly separate these actions from their University employment.

Applicable state law includes the Ethics in Public Service Act ([RCW 42.52](#)), which addresses such subjects as use of state resources, political activities, receipt of gifts and honoraria, and outside activities of state employees. For additional information, visit the Executive Ethics Boards website at [ethics.wa.gov](#).

Patents and Contracts

The Board of Regents has approved official patent, copyright, and conflict of interest policies that apply to all University employees. These policies are set forth in the [BPPM 35.00](#) and/or [70.01](#).

Work Schedule

The University is committed to providing a full range of services during the normal business hours established for state offices, including lunch hours. Although departmental needs determine employees' specific work schedules, the University's usual working hours are 8 a.m. to 5 p.m. with a one-hour lunch break, Monday through Friday, throughout the calendar year. Some WSU offices observe an alternative schedule during the summer months (7:30 a.m. to 4 p.m. with 30 minutes for lunch).

Service

Administrative Professional employees are encouraged to serve on University committees and share their knowledge as part of University service. Committee participation and other forms of service to WSU should not override departmental responsibilities. Service to the University is recognized during annual reviews.

Outside Consulting Services

Administrative Professional employees, as consultants, can be valuable resources to government, industry, and public and private organizations. Administrative Employees interested in outside consulting, must seek approval from their department chair/director and/or their appointing authority. The outside consulting cannot interfere with the employee's performance of University duties and a conflict of interest cannot exist. If the outside consulting occurs during the normal business hours, the employee is required to take annual leave and/or leave without pay. The employee must follow all WSU ethics policies. Contact Human Resource Services at 509-335-4521 for more information.

Annual Review

Performance reviews for Administrative Professional employees are conducted annually, using the Annual Review Form. The form and policy may be found at [BPPM 60.55](#). More frequent, informal reviews may occur.

WSU encourages the professional advancement of all employees. Evaluation of performance and allocation of salary increases are important factors in encouraging superior service.

The annual review for an Administrative Professional employee is an essential part of the administration of each area. The employee's immediate supervisor conducts this review. It should be completed in a systematic manner with special attention given to the individual's strengths and weaknesses. It should provide the basis for rewards as well as needed improvements.

Position descriptions and performance criteria are discussed with a new employee as soon after hire as possible. They should be reviewed with the employee during the annual review and modified as needed. The review provides an important tool for employee development. It is an opportunity to evaluate past performance as well as agree on future goals and objectives, and to reaffirm or redirect work assignments and activities.

To ensure salary increases and promotions are made objectively, equitably, impartially, and as recognition of merit, the following policies and procedures must be observed:

Employee's Responsibilities

In preparation for the annual review, the employee is responsible for submitting to their immediate

supervisor information that will assist the supervisor in fairly assessing the employee's performance during the past year. At a minimum, this portfolio of information should include the following:

- An accurate Position Description that reflects current duties and responsibilities;
- Performance criteria;
- A list of accomplishments for the previous year relative to performance criteria;
- A list of goals, criteria, objectives, and expectations for the coming year;
- The portfolio may include any other documentation that addresses the employee's level of performance.

Evaluator's Responsibilities

The immediate supervisor serves as evaluator and assigns the merit rating. Consideration should be given to the material submitted by the employee, feedback from constituents, and any other information available to the evaluator that reflects the employee's performance. The assigned rating should be a measure of how well the employee has met the mutually agreed upon performance criteria established by the employee and the evaluator at the time of appointment, or at the previous annual review, and how well the employee has met the goals of the position or program. (If the employee has had more than one supervisor during the evaluation period, it is recommended that the supervisors collaborate and create one review).

Specific consideration should be given to productivity, quality of work, interpersonal skills, and other applicable factors when assigning the merit rating. These factors may include the following considerations:

- Productivity: The amount of work produced, organizational skills, implementation of efficiency measures, ability to meet deadlines, etc.;
- Quality of Work: Consistency, initiative, insight, problem-solving skills, reputation, professional knowledge, written and oral communication skills, public relations skills, etc.;
- Ability to work collaboratively with others: Working relationships, public contacts, supervisory skills, etc.;
- Optional Factors: Factors that are specific to the position, service to the University and the community, committee work contributions, etc.

The following rating scale is used to assign the merit rating. A merit rating of five is only to be used when performance truly is outstanding. Ratings need not be in whole numbers. Care should be taken to rate actual performance rather than anticipated potential performance.

Performance Rating Scale

5	Outstanding
4	Exceeds Expectations
3	Satisfactory
2	Needs Improvement
1	Unsatisfactory

The evaluator and employee should meet to discuss the assigned rating and to establish a plan for the coming year. This plan should include goals, objectives, and recommendations for professional development, which will be used to evaluate the employee's performance during the next review period. If significant changes occur, the employee and evaluator should work together to prepare a modified position description.

The completed review including the performance plan, all supporting documentation, and employee comments (if submitted), should be routed to the dean, director, or appropriate administrative officer.

Dean/Director's Responsibilities

The dean or director reviews all materials from both the employee and the evaluator and does not modify the assigned merit rating unless there is adequate evidence to support the change and the rating has been discussed with the evaluator and the employee.

In cases where an employee has assigned responsibility in more than one administrative unit, (e.g. WSU Everett, WSU Spokane, WSU Tri-Cities, and WSU Vancouver Campuses and research stations) the dean, director, and/or WSU Everett, WSU Spokane, WSU Tri-Cities, or WSU Vancouver Campus Chancellor of all affected units must be consulted and approve the evaluation.

The dean or director provides a copy to the employee and also forwards the Annual Review form, current position description (if changed from previous evaluation period), and all supporting documentation to Human Resource Services for retention.

Comments and Dissent

An Administrative Professional employee's comments or dissent regarding the contents of the annual review should be appended to the report before it is submitted through appropriate administrative channels. Routing information can be found in [BPPM 60.55](#).

Increase in Salary

Salary increases are determined following the regular annual review process, depending on availability of funds. Normally, salary increases are not made on an ad hoc basis during the year. (Exception: when a grant or contract clearly states an increase is due on a different schedule, WSU will honor the contract schedule, but will base the increase on the most recent formal review and will otherwise follow normal WSU guidelines.) A link to the policy may be found at [BPPM 60.12](#) Administrative Professional Salary Determination and Adjustment.

An Administrative Professional employee may initiate a salary review of their own position. The review may or may not result in a change of title/title code or salary. To initiate such a review, the employee must provide Human Resource Services (HRS) and their immediate supervisor the following documentation.

- A request memorandum describing the circumstances and basis for the request.
- A signed position description that includes current duties and responsibilities.
- An updated organizational chart, including names and titles.

The procedures are outlined in the [BPPM 60.12](#) Administrative Professional Salary Determination and Adjustment.

Leave

Administrative Professional employees are eligible for paid leave as outlined in this section. Relevant law or other University policy may supersede the following leave guidelines. Consult Human Resource Services at 509-335-4521 for current applicable rules, regulations, and procedures. The leave policy is detailed in [BPPM 60.56](#).

All Administrative Professional employees are eligible to receive leave. Administrative Professional appointments must be for a minimum of 50% FTE (full-time equivalent) and must be for more than a 6-month appointment term. (i.e., 6 months plus 1 day).

EXCEPTION: Retire/Rehires cannot be appointed for more than a 40% FTE appointment in a 12-month term and are not eligible to receive leave.

Leave is reported in the Workday system.

- Employees in positions which are ineligible for overtime follow the [Workday Time and Absence Guide: Request and Correct Time Off \(Employees\) Reference Guide](#) for instructions on how to enter and correct time off in the Workday system.

- Employees in positions which are eligible for overtime follow the [Workday: Enter and Correct Time \(Employee\) Reference Guide](#) for instructions on how to enter and correct time in the Workday system.

Civil Service employees who accept Administrative Professional positions carry forward all accumulated sick and annual leave if there is no break in service. The releasing department at the time of transfer will pay any accrued compensatory time earned in the Civil Service position.

Employees from other state agencies who join WSU without a break in service transfer their annual and sick leave balances.

Annual Leave

Accrual

Full-time Administrative Professional employees earn 16.67 hours of annual leave for each month of completed service. Unused leave is cumulative to a maximum of 352 hours.

Annual leave accrues on a pro-rata basis:

- For less than 100 percent appointments
- For partial months worked

Employees on less than 12-month appointments earn annual leave for each month of their scheduled work year. Leave is accrued while an employee is on paid leave. Leave is not accrued while an employee is on unpaid leave. Leave is prorated for partial months of unpaid leave.

Use

Leave is scheduled with the approval of the unit administrator. Annual leave may not be taken before it is earned; annual leave is not earned until the first day of the following month. **EXCEPTION:** The annual leave hours earned during the final month of the appointment may be used in the final month.

Employees on temporary appointments must use annual leave prior to the expiration of their appointment to avoid loss of earned leave.

Administrative Professional employees are free during the time outside the service period or during annual leave to seek other employment, perform consulting work, or take advantage of educational opportunities. Employment or consulting work must be consistent with University policy and applicable laws.

Payment

Annual leave is paid at the time of separation from state service. Human Resource Services authorizes payment based on the total accrued leave balance.

Accumulated annual leave for employees on temporary appointments must be used prior to the termination date, unless the employee obtains a written exception from the Appointing Authority. These restrictions are noted on the employee's offer or renewal letter.

Payment is calculated with the following formula:

- Hours of unused leave × monthly salary × .0063

Sick Leave

Accrual

Full-time Administrative Professional employees earn eight hours of sick leave for each month of completed service.

Sick leave accrues on a pro-rata basis:

- For less than 100% FTE appointments
- For partial months worked

Employees on less than 12-month appointments earn sick leave for each month of their scheduled work year. Leave is accrued while an employee is on paid leave. Leave is not accrued while an employee is on unpaid leave. Leave is prorated for partial months of unpaid leave.

Use

Sick leave may not be taken before it is earned; sick leave is not earned until the first day of the following month. It may be used in case of illness or disability of the Administrative Professional employee or their immediate family member. Sick leave may be used for condolence or bereavement. (See [Emergency Leave](#) for additional information.)

Payment

Administrative Professional employees may participate in the sick leave Attendance Incentive Program. The policy can be found at [BPPM 60.41](#).

- In January of each year, employees may elect to receive monetary compensation for unused sick leave hours accrued in the previous year. The sick leave balance cannot be reduced to less than 480 hours.
- Upon retirement or death the employee or beneficiary shall be compensated 25% of all unused sick leave. For retirement the Voluntary Employee Beneficiary Association (VEBA) Medical Expense Plan may apply.

Payment is based on two figures: (1) 25% of unused sick leave and (2) salary at the time of payment.

Payment is calculated with the following formula:

- $25 \text{ percent} \times \text{hours of unused sick leave} \times \text{monthly salary} \times .005747$

VEBA Medical Expense Plan ("VEBA MEP")

At retirement, an eligible employee may either receive benefits from the Voluntary Employee's Benefit Association Medical Expense Plan (VEBA MEP) or receive payment for accrued sick leave. The policy can be found at hrs.wsu.edu/VEBA.

Re-employed from Former State Service

Sick Leave will be restored to former state employees who are re-employed to AP Service within three years of their separation date. Sick leave will not be restored if the employee retired and the accrued sick leave was cashed out to a VEBA Trust account.

Leave for Work-Related Injury or Illness

Employees who suffer a work-related injury or illness that is compensable under the state workers' compensation law may select time loss compensation exclusively or a combination of time loss compensation and accrued paid leave. If the employee receives pay for accrued leave or holidays and also receives workers' compensation for time loss, the employee is entitled to both payments without any deduction for the industrial insurance payment. For more information, call Human Resource Services at 509-335-4521 or refer to the website: hrs.wsu.edu/employees/disability-services/workers-compensation/#Benefits.

Military Leave

WSU grants employees 21 days of leave with pay for active training duty with any of the armed forces of the United States, upon receipt of military orders. Military orders are not required for those employees called to active duty.

During a period of military conflict, an employee whose spouse or state registered domestic partner is a member of the military who has been called to active duty or deployed is entitled to 15 days of leave per deployment. During this period of leave, they may use their own leave accruals or request unpaid leave.

Civil Leave

Administrative Professional employees are entitled to leave for jury duty, as subpoenaed trial witnesses, and/or for other subpoenaed civil duty.

Leave for Testimony at Trials and Hearings

University employees, as all citizens, have a duty to provide accurate information to adjudicatory bodies. When Administrative Professional employees are subpoenaed because of facts gained within the course of University duties, arrangements for leave and for providing expertise to litigants will be reviewed by the appointing authority or designee in consultation with the WSU Division of the Office of the Attorney General to ensure the University's interests are protected.

Expert Testimony

Expert testimony by Administrative Professional employees will be in accordance with University policy and procedure.

Emergency Leave

Emergency leave applies only to cases of death of a family/household member or a comparable emergency. "Comparable emergency" is defined as severe or life-threatening illness or injury.

For purposes of emergency leave, family members include spouse, state registered domestic partner, children, parents, siblings, spouse's parents, state registered domestic partner's parents, spouse's children, state registered domestic partner's children, grandparents, grandchildren, stepparents, stepchildren, children-in-law, sibling-in-law, stepsibling, and dependents living in the employee's home regardless of the family relationship to the employee. Household members, partners and state registered domestic partners are defined as persons who reside in the same home who have reciprocal duties to and do provide financial and/or emotional support for one another.

Such leave, with pay, may be granted to the Administrative Professional employee by the dean or other principal administrative officer in charge, provided the regular duties of the person concerned are assumed by other staff members without additional expense to the University. Up to five days' leave shall be granted for each emergency without charge to sick leave or annual leave balances. Under exceptional circumstances, the leave may be extended to 10 days with authorization of the employee's administrative officer and Human Resource Services.

Professional Leave

Administrative Professional employees are eligible for WSU's Professional Leave Program. Professional leave provides an opportunity for study, research, and creative activities for the enhancement of the institution's instructional and research programs. Each fall, the Office of the Provost announces program guidelines and application procedures.

Shared Leave

The shared leave program allows state employees to donate leave to a state employee who is suffering from, or has a family/household member suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition that is likely to cause the employee to take leave without pay or terminate employment; or if an employee is called to uniformed services; or in case of volunteer service during a state of emergency; or if an employee is a victim of domestic violence, sexual assault, or stalking. To receive shared leave the employee is required to meet the following conditions:
