## You were defaulted into medical and dental coverage - Do you want to make changes?

You are receiving this email because you were default enrolled into the Uniform Medical Plan (UMP) Classic and the Uniform Dental Plan with employee-only coverage in 2021. If you would like to change plans, waive your coverage, or add dependents, you may do so at any point during the month of November for a January 1, 2022 effective date. If you do not want to make any changes to your medical or dental coverage, no action is required, and you will remain in UMP Classic and Uniform Dental employee-only coverage for 2022.

Changes can be made through Workday by opening the [Open Enrollment Change](#) notice in your Workday inbox. If you have already submitted this event, changes can be made by clicking on the Benefits application on your home screen. If you are adding a dependent, please attach applicable [dependent verification](#) to the Attachments box before submitting the Open Enrollment event.

**Please review the info sources provided before reaching out with questions.**
