MONTHLY PUBLICATION FROM HUMAN RESOURCE SERVICES

In June We Celebrate Juneteenth and Pride Month!

It's June, and this month, we celebrate Juneteenth and Pride Month!

The [June EAP Newsletter](#) includes articles, research, and resources to help inform us about the mental health issues faced by LGBTQ+ and Black youth and offers strategies for

supporting them.

Also in June and July, there are two sessions of LGBTQ+ Ally Training available for enrollment. The LGBTQ+ Ally Training is designed to introduce the participant to issues faced by lesbian, gay, bisexual, and transgender indi-

Here you can access:

- New courses and learning programs
- Upcoming instructor led-sessions
- Employee Assistance Program resources including instructor-led sessions, and live and on-demand webinars

Register for a session today!

June is National Safety Month

□ [continued from page 1](#)

Injuries are the leading cause of death for Americans ages 1 to 40. During National Safety Month, we encourage you to learn more about important safety issues like preventing poisonings, transportation safety, and heat safety precautions.

Poisonings: 9 out of 10 poisonings happen right at home. You can be poisoned by many things, like cleaning products or another person's medicine. Visit [poison.org](#).

Transportation Safety: Doing other activities while driving—like texting or

eating—distracts you and increases your chance of crashing.

Almost 1 in 6 crashes where someone is injured involve distracted driving. Visit [nhtsa.gov](#) for more information.

Juneteenth and Pride Month

□ [continued from page 1](#)

viduals.

- Thursday, June 23, 1:00-4:00 p.m.
- Tuesday, July 26, 1:00-4:00 p.m.

To enroll, visit the [course page](#).

This course is part of the Community and Equity Certificate Program. If you are interested in enrolling and completing this program, visit the

[learning program page in Skillsoft](#). Find more information about the program on the [Community and Equity Certificate Program for Faculty & Staff](#) page. ■

Heat Safety Precautions: Heat is the leading weather-related killer resulting in hundreds of U.S. fatalities each year. Never leave a child, elderly adult, or pet alone in a car. Heat deaths in cars can—and do—happen in winter, because car interiors get much hotter than the outside air. Visit [weather.gov/safety/heat](#) for guidelines and resources.

BENEFITS

□ continued from [page 1](#)

Seminar Schedule. The next seminar will be held Friday, June 17, 9:00-10:30 a.m. Registration is not required, simply access the Zoom information on the Benefits Retirement Information page.

Check out WellCoug Recipes, developed by Maria Royall, HRS Benefits & Wellness Coordinator and WSU Dietician Alice Ma. Recipes for

breakfast, lunch/dinner and desserts/snacks are available now, with new recipes being added soon!

Visit the [Wellcoug Recipes page](#) to access these healthy and creative recipes! ■

Workday Today

□ continued from [page 1](#)

the layout of the home page, as well as how search results show up. Workday Today makes navigation easier and helps you organize and complete your tasks.

Workday Today is designed by Workday, and the update is mandatory. We've delayed making this change as long as we could to allow more time for the WSU community to adapt to Workday.

You will notice several changes to how the home page looks and operates, including the applications menu and announcements. We're currently exploring what will

change, and how to make the switch as easy as possible. We're working on a webpage that will show the difference between how things look now and how they'll look with Workday Today. We'll keep you updated as we learn more about what's changing.

If you have questions or concerns about Workday Today, reach out at the [Workday Service Desk](#). ■
