

**Memorandum of Understanding
Between
The Washington State University (WSU)
And
The Washington Federation of State Employees (WFSE)
Nonpermanent Appointments/Employment**

The Parties recognize that HB 2669 was enacted by the Washington State Legislature in 2018, potentially affecting some positions subject to this Agreement. Therefore, WSU and the WFSE agree to meet and confer to address these legislative changes regarding nonpermanent appointments/employment after the Washington Public Employment Relations Commission (PERC) issues an order clarifying the bargaining unit(s). Both parties agree to commence scheduling negotiations within thirty (30) calendar days of PERC's decision.

This agreement becomes effective on the date of signature by both Parties.
