Sixteenth Annual Employee Recognition Reception

The Employee Recognition Reception is an annual event that celebrates WSU employees who reached a length-of-service milestone or received a Crimson Spirit Award. Employee recognition is a vital part of Washington State University.

The Employee Recognition Program, administered by Human Resource Services, provides an opportunity to thank staff and faculty for their contributions, dedication, and commitment to the WSU community.

Length-of-service awards are presented to employees reaching milestone years of service at Washington State University. The program has traditionally recognized staff beginning at 5 years of service and faculty beginning at 25 years of service. In August 2018, the Employee Recognition Program expanded to recognize faculty at 5 years of service.

The Crimson Spirit Award program is a nomination-based commendation for WSU faculty and staff who provide stellar customer service, demonstrate exceptional dedication, and embody core WSU values.
