

**ENGAGEMENT OVERVIEW:**

For the 2023 Employee Engagement Survey (EES) there were 35 respondents in 2023 compared to 44 respondents in 2018 who identified their department within International Programs. For 2023, the survey was sent to 46 active employees within International Programs resulting in a 76% response rate. The response average for 70 Likert scaled statements was 3.96 for 2023 compared to 3.74 in 2018 resulting in a slight decrease in the overall response average from 2018. For 2023 31% identified themselves as Civil Services, 57% identified themselves as Administrative Professional, and 11% identified themselves as Faculty.

As explained in the 2023 EES Results Report, responses were measured using a 5-option Likert scale with “Never” equaling 1 and “Always” equaling 5 to determine the frequency in which employees identified with the statements.

For the 2023 survey, 52% of respondents said they always or often enjoy being part of their College/Area. A breakdown of scoring response averages can be found at the end of this report beginning on page 5.
